JUVENILE AND DOMESTIC RELATIONS COURT

MISSION/PURPOSE

The Fauquier County Juvenile and Domestic Relations District Court addresses the needs of at-risk juveniles, their families, troubled adults, and their immediate families. Especially for juveniles, we strive for holistic and permanent solutions, not just a temporary fix. Hopefully, this will enable these individuals to become well adjusted, productive members of society. Our intent is to give each young person a sense of direction, motivation and a feeling of self worth so that when the age of majority is reached, the youngster has settled down and is ready to enter the mainstream of American society. In working with these young adults, we find ourselves constantly struggling between the concepts of focusing on the youth and what is best for him or her versus the immediate concern of protecting society from dangerous juveniles.

On the adult side of the Court, domestic violence has become the key issue. Again, we are confronted with desires to focus on the perpetrator and thus prevent recidivism. At the same time, we must be vigilant in our efforts to protect the family from acts of violence.

GOALS

- To save a large percentage of at-risk youth and their families to enable them to live up to their maximum potential
